In 1994, three area businesses provided the first corporate sponsorship to the Listowel Agricultural Society. Since that time, many other sponsors representing area businesses and organizations have also lent their support. It is impossible for us to give enough thanks for their financial backing. Their support has allowed the Listowel Fair to grow and improve each year. To further recognize the ongoing support of our Corporate Sponsors, a permanent plaque hangs in the Ag. Hall thanking them for their support. We are looking forward to ongoing partnerships with these companies and we encourage you to support these businesses that have so willingly supported us.

President's Message

Welcome to the 167th Listowel Agricultural Fair!

On behalf of the Listowel Agricultural Society I would like to welcome everyone to the Listowel Fairgrounds for our Annual Listowel Agricultural Fair.

The reason we can host the Listowel Fair and the many other events that take place throughout the year is because of all of you. The support we have received over the years helps in many different ways. It helps our organization financially but it also provides assurance and affirmation that the community wants to see our Agricultural Society flourish.

We have many of the same favourite events making a return at this year's Listowel Fair including livestock shows, Homecraft exhibits, Kid's Day, Senior's Day, Vintage Farm Show, Truck & Tractor Pulls, the Demolition Derby and so much more! We are excited to have our Opening Night Fireworks show making a return as well as Axe Throwing. And, we are really excited to have FMX Freestyle Motocross Shows throughout the weekend!

Also new this year is Ag 101 - Farm to Ford Agriculture Education. Come to see farm animals up close, learn about crops grown in this area and meet the farmers who grow the food that feeds not only those of us in this area but everyone around the world.

Thank you to all of the directors and volunteers that work tirelessly to make the Listowel Fair happen. It takes months of work and planning to bring this event to the community of North Perth and beyond. Thank you to the many sponsors for their financial and in-kind contributions so that the many competitions and events can be a part of the fair. And mostly, thank you to the community for your on-going support of the Listowel Agricultural Society both for the fair and during the rest of the year.

We are very fortunate to be in such a great community. We hope to see you at the fair!

Elizabeth Johnston

Homecraft judging will begin at 12 noon Wednesday, July 12th. All exhibits can be brought to the Ag. Hall from 7pm to 9pm Tuesday, July 11th or 8am to 11am Wednesday, July 12th. Exhibits will be on display until Sunday, July 16th at 3:30pm!

2022-23 Listowel Fair Ambassador's Message

It's hard to believe it has been one year since I was crowned the 2022-2023 Listowel Fair Ambassador!

I remember the feeling when my name was called, the excitement for what was to come. It was an action-packed weekend, and I was honored to be chosen to represent our Agricultural Society.

My year started with a busy weekend, handing out ribbons, watching many events, and chatting with fair goers. A few favorites were showing my 4-H calf in the dairy show, flagging a tractor pull, and seeing events I wouldn't normally watch. Following the fair we had the Kaleb Dahlgren event and the District 8 meeting where I got to meet all of the ambassadors from the area. Then we had the Harvest Dinner, Christmas Craft Show, and the Santa Claus parade. The Ontario Association of Agricultural Societies' convention was in February and I got to meet ambassadors from all over Ontario. We learned more about the CNE, attended various workshops, and saw a variety of shows. Yuk Yuk's and the Volunteer & Sponsor Appreciation night were next. It was

so nice to meet the many people who support our fair in a variety of ways. It has been an action packed year, and one I am so glad to have experienced.

Over the past year, my public speaking skills have improved, I've gained confidence, made lots of connections all across Ontario, and made many new friends. I hope this year's Listowel Fair Ambassador takes every opportunity possible, making the most of your experience!

The old saying is true "take advantage of every moment, because time will fly" One final thank you to the Listowel Ag Society, for this program and all of the experiences it provides!

Greetings from John Nater, MP Perth-Wellington

Dear fairgoers and organizers,

Welcome to the 167th Annual Listowel Fair! It is always an exciting time for North Perth and the surrounding area as we gather with our family, friends, and neighbours to celebrate the agricultural community.

I would like to personally thank the Listowel Agricultural Society, its Board, and all the enthusiastic volunteers for their dedication, perseverance, and hard work, and for their strong presence in supporting our community.

The agricultural community of Perth—Wellington remains a constant presence in our lives even as it is faced with complex and unforeseen challenges. Our hardworking farmers and farm families are adapting and progressing while supplying our country with locally raised and grown food. I am very proud to be part of this rural community.

I wish you all a wonderful summer and I hope to see you out supporting the Listowel Agricultural Society as they carry on the tradition of providing a wonderful

opportunity for future generations to understand and appreciate the importance of our agricultural roots.

On behalf of the Parliament of Canada, I would like to congratulate all those involved in making the fair the success it is today. Enjoy the weekend!

Greetings from Matthew Rae, MPP Perth-Wellington

Dear Listowel Fair Attendees and Organizers,

Congratulations on your 167th Listowel Fair!

It is an exciting time for North Perth and area as we gather to celebrate our agricultural community. The Listowel Fair never fails to provide an entertaining and fulfilling time for all ages. This year's fair promises to be no different.

Thank you to the Listowel Agricultural Society, its executive board, the volunteers, and sponsors for their dedication in supporting our rural roots. Agricultural societies are pillars of our rural communities, and the Listowel Ag Society is no different. They not only help organize a great fair, but they do important work throughout the year.

On behalf of the Government of Ontario, congratulations to the Listowel Agricultural Society and the entire community on organizing the 167th Listowel Fair!

Matthew Rae

Greetings from Rhonda Ehgoetz Warden, County of Perth

Congratulations from the County of Perth on your 167th Listowel Fair.

As you celebrate 'Feeding the World From Our Own Back Yard' it is so fitting when Perth County is rich in agriculture. We are all very lucky to live in this prime agriculture area. Thank you to the Listowel Agricultural Society Board and all the volunteers who volunteer their time. Without your enthusiasm and dedication, it would not be possible. Fairs are very important in our area as they bring the people together to celebrate their roots.

Best wishes on a very successful fair and I look forward to celebrating with you.

Rhonda Ehgoetz

**Greetings from Todd Kasenberg, Mayor
Municipality of North Perth**

Welcome all to the 167th Listowel Agricultural Fair!

We'll once again see excellence from the remarkable Listowel Agricultural Society, who have made wonderful and careful preparations for what is an incredible local experience! The dedication of the Board and many volunteers is greatly appreciated.

At the Fair, you will encounter our best face – a testament to our traditions, our hard work and our innovation. I believe North Perth is the heart of Canadian agriculture – and I continue to advance our efforts to showcase our work, build talent, and draw Canada and the world to our doors. The Fair gives each of us the opportunity to take a pause and to express gratitude for farming and food.

I admit to admiring those brave enough to tackle the midway. I love being a witness to our food sources, and to food outcomes – like the best baking found anywhere in

Ontario! (Our contest will demonstrate that to you!) And I enjoy seeing the history of farming machinery on display at the Fair.

Have fun! Welcome again to our awesome celebration of agriculture! #northperthawesome

PLANTS & CUT FLOWERS

Chairperson: Betty Bender, 291-4603

Committee: Shelby Donegan, Marlene McQuinn, Mary Kerr, Jan Chapman, Mary Foote, Pat Mayberry, Joyce Simpson, Carolyn Sturgeon, Paulette Coneybeare

Flowers in ALL classes must be HOME GROWN, established in suitable containers. Only one article per person in each class. Any exhibit not worthy will not be awarded a prize. At the discretion of the judge and the committee, a section may be subdivided.

Helpful Hints for Preparing Materials

(Ontario Judging Standards for Horticultural & Floral Design)

1. Cut flowers and foliage the evening before the show or in the early morning.
2. Flowers stay fresher and show better if there are NO LEAVES in the container.
3. Make a fresh slanting cut at the end of stems for maximum water intake.
4. Place in a wide bucket in deep *warm water*, preferably overnight.
5. Store in a dark, humid, draft-free place.
6. Some cut flowers, foliage and woody materials do not readily absorb water and require further treatment to prevent wilting. Woody branches may benefit from splitting cut ends and some need the thick outer layer removed as well. Some cut flowers (e.g. poppies) benefit from burning the stem ends while others benefit by placing stem ends in boiling water or from chemicals in the water. About 2 tbsp. of glycerine in 4L of water, or florist crystals may be beneficial. Details are also available in flower arranging books.
7. Removal of dust, stains and other foreign material from blooms and foliage enhances the exhibit.
8. Remove damaged foliage.
9. Re-cut stem ends before placing in show containers.

QUILT BLOCK CHALLENGE

This is your opportunity to join in the making of a beautiful quilt. This is our annual quilt block challenge and we invite you to participate in this year's competition. We have had an excellent exhibit of quilt blocks in the past and we have designed unique quilts which are then auctioned off as a fundraiser for the Agricultural Society. We really appreciate your support for these quilt projects.

This year we have chosen the "Rail Fence" pattern. You will be able to pick up your quilt block kit from "Pins & Needles" 177 Main St. W., in Listowel or by calling Linda Robertson at 356-2468. We are happy to mail a kit to you if you are out of town. There is no charge for your quilt block kit.

The blocks need to be submitted to the Listowel Agricultural Hall on Tuesday July 11th (7pm to 9pm) or Wednesday July 12th (8am to 11am).

The blocks will be judged and prizes awarded as followed:

1st \$25.00; 2nd \$15.00; 3rd \$10.00

Example only. Image does not depict what finished quilt will look like.

There is still time to join the Quilt Block Challenge!

The blocks submitted become the property of the Listowel Agricultural Society. The blocks will be pieced together to form a unique pattern and will be quilted and be part of our Harvest Auction in the future. Thank you for supporting the "Quilt Block Challenge 2023." Happy Quilting!
